

GENERIC TANK

Fold tank body into a box. Keep edges crisp and folds sharp. You might want to reinforce the deck of the tank with an extra layer of cardstock or two. You may want to reinforce the sides and floor with heavier cardstock, cardboard, or popsicle sticks.

GUN MOUNT ASSEMBLY

It is easier to pre-cut the + on the front of the gun mount before assembly. Carefully cut out and lightly score the part on all of the fold lines. Use glue sparingly. Glue the gun mount assembly (C) to the turret before inserting tank gun.
