

## Large Customizable Pop-up Tower

# Instructions

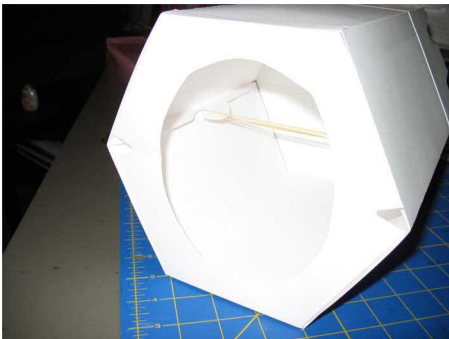

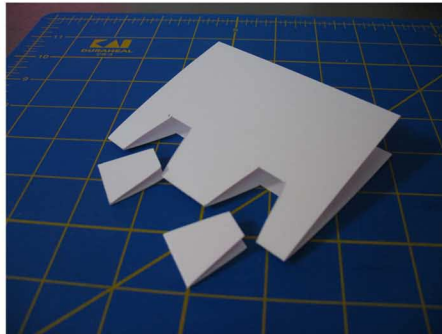

1:  
Assemble  
walls  
into ring

2:  
Assemble top  
and bottom.  
Note: Bottom folds  
\*into\* structure, bottom  
folds out of structure.

3:  
Fold and glue, then cut  
the crenellations. Glue  
them along top edge of  
tower

4:  
Add a rubberband  
to the hooks.  
Experimentation  
may be required  
to find one that  
works well.

5:  
Add doors,  
windows, and  
banners or other  
addons of your  
own design!
